

Lake Winnecook a.k.a. - Unity Pond

This chart revision is dedicated to the memory of Mark Huard for his commitment to & stewardship of Winnecook Lake. Along with being a former FOLW President, Mark collected the spot soundings shown on this chart as well as initiating the original lake hazard markings on Lake Winnecook. For more than 4 years Mark installed and removed the buoys until the responsibility shifted to the State. His devotion to the lake sets an example to us all as he truly was a Friend of Lake Winnecook.
